

Introduction to Haitong Antennas

Company Overview

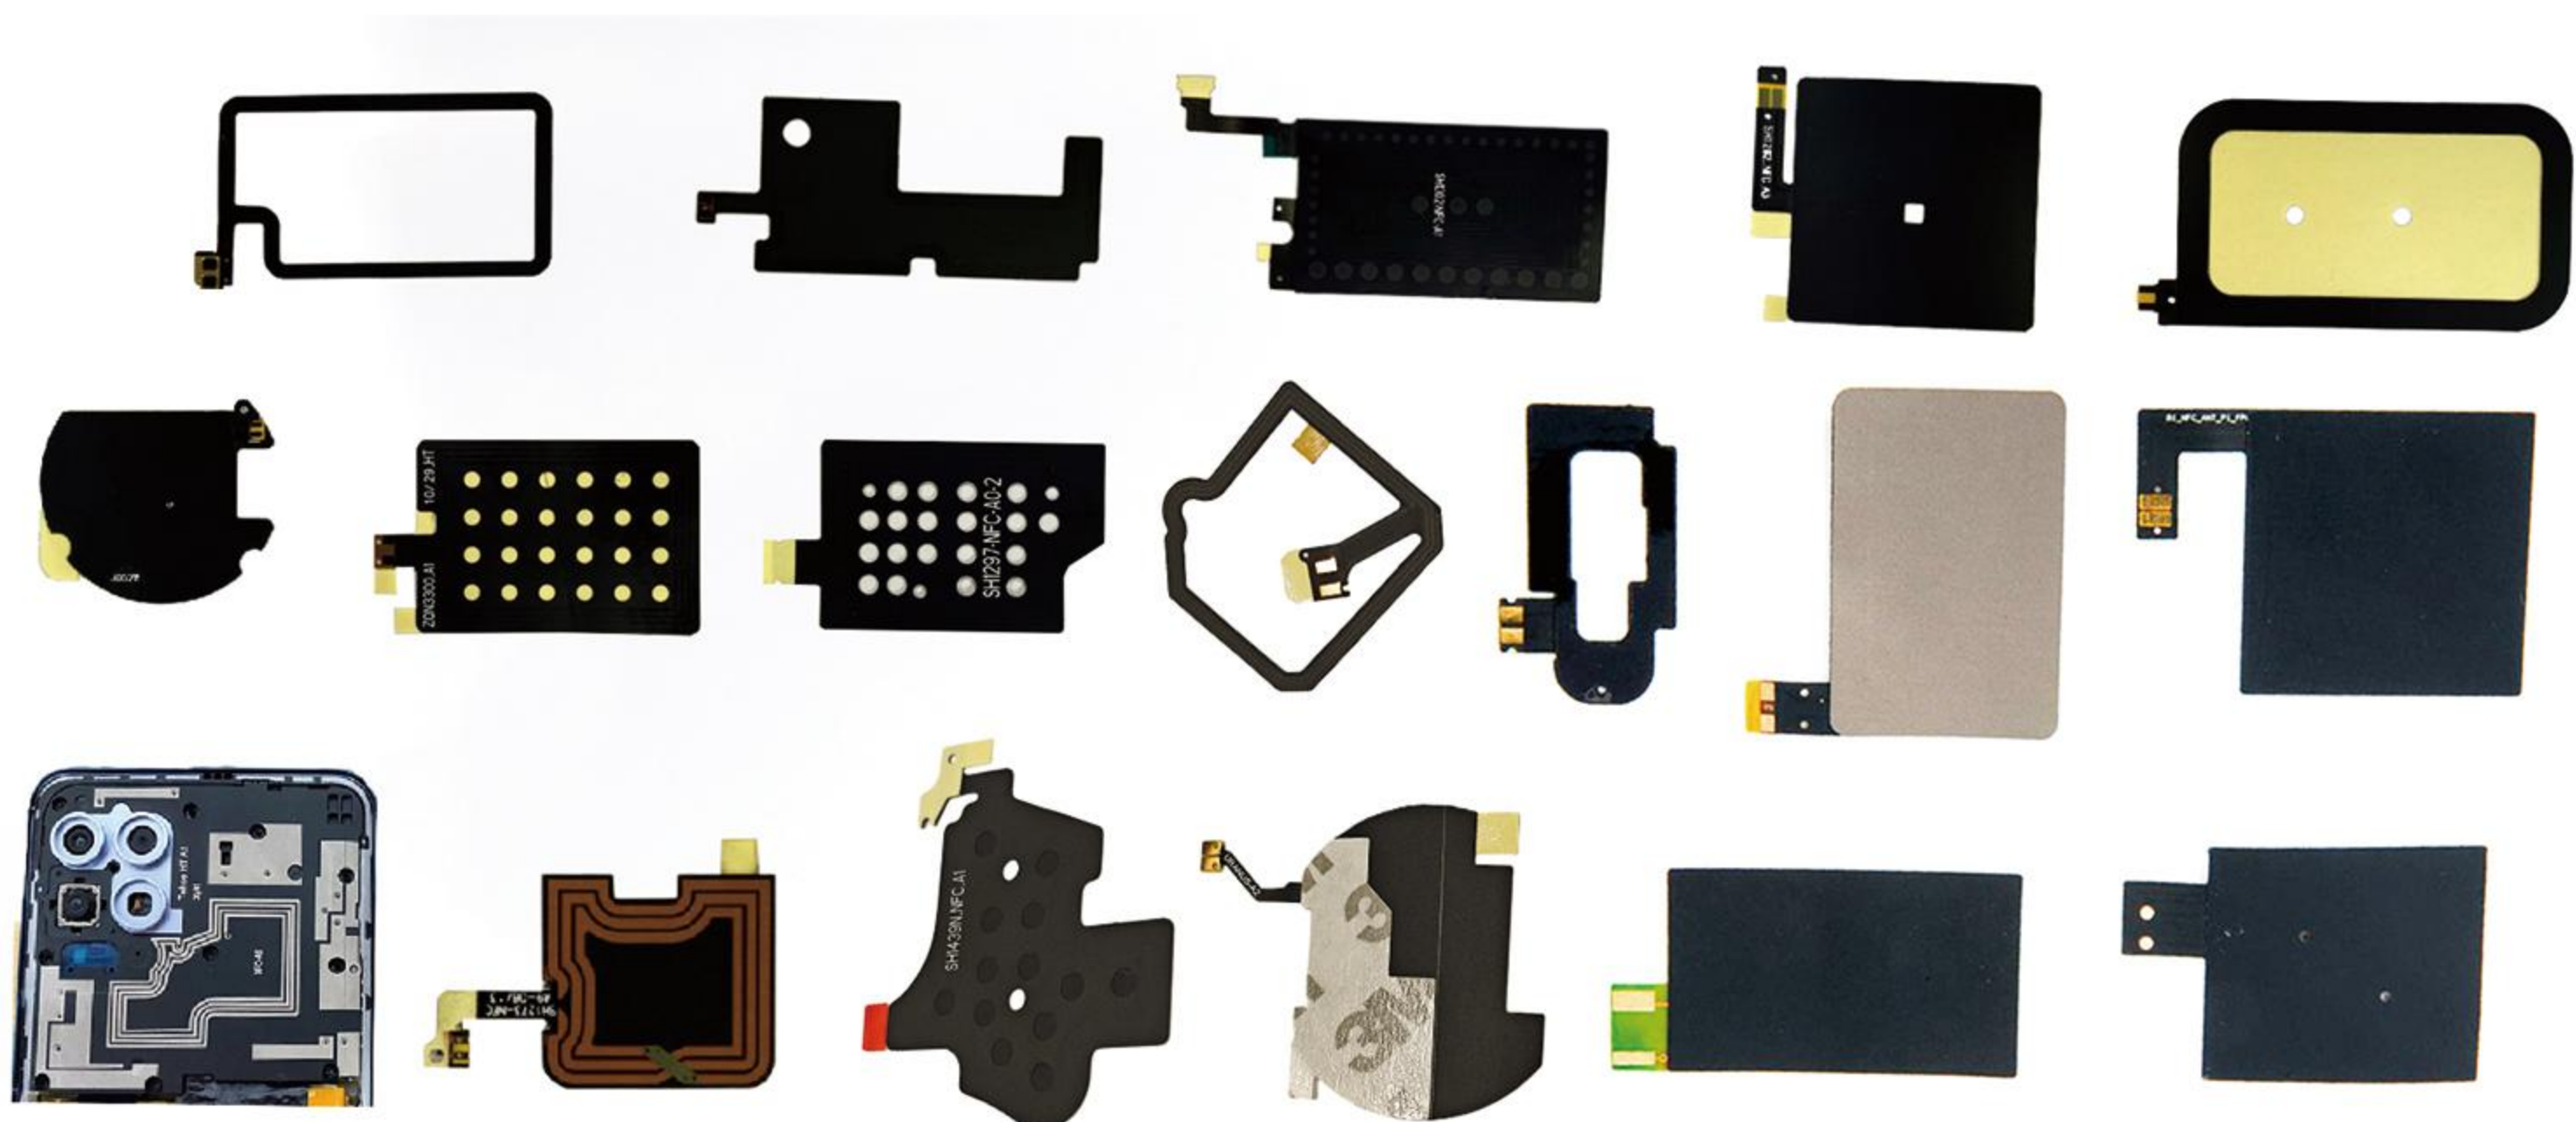

Haitong Antennas specializes in the design, development, and production of a wide range of high-performance antennas for various industries. Our antennas are known for their reliability, durability, and efficiency in wireless communication systems.

» Product Range

LDS ANTENNA

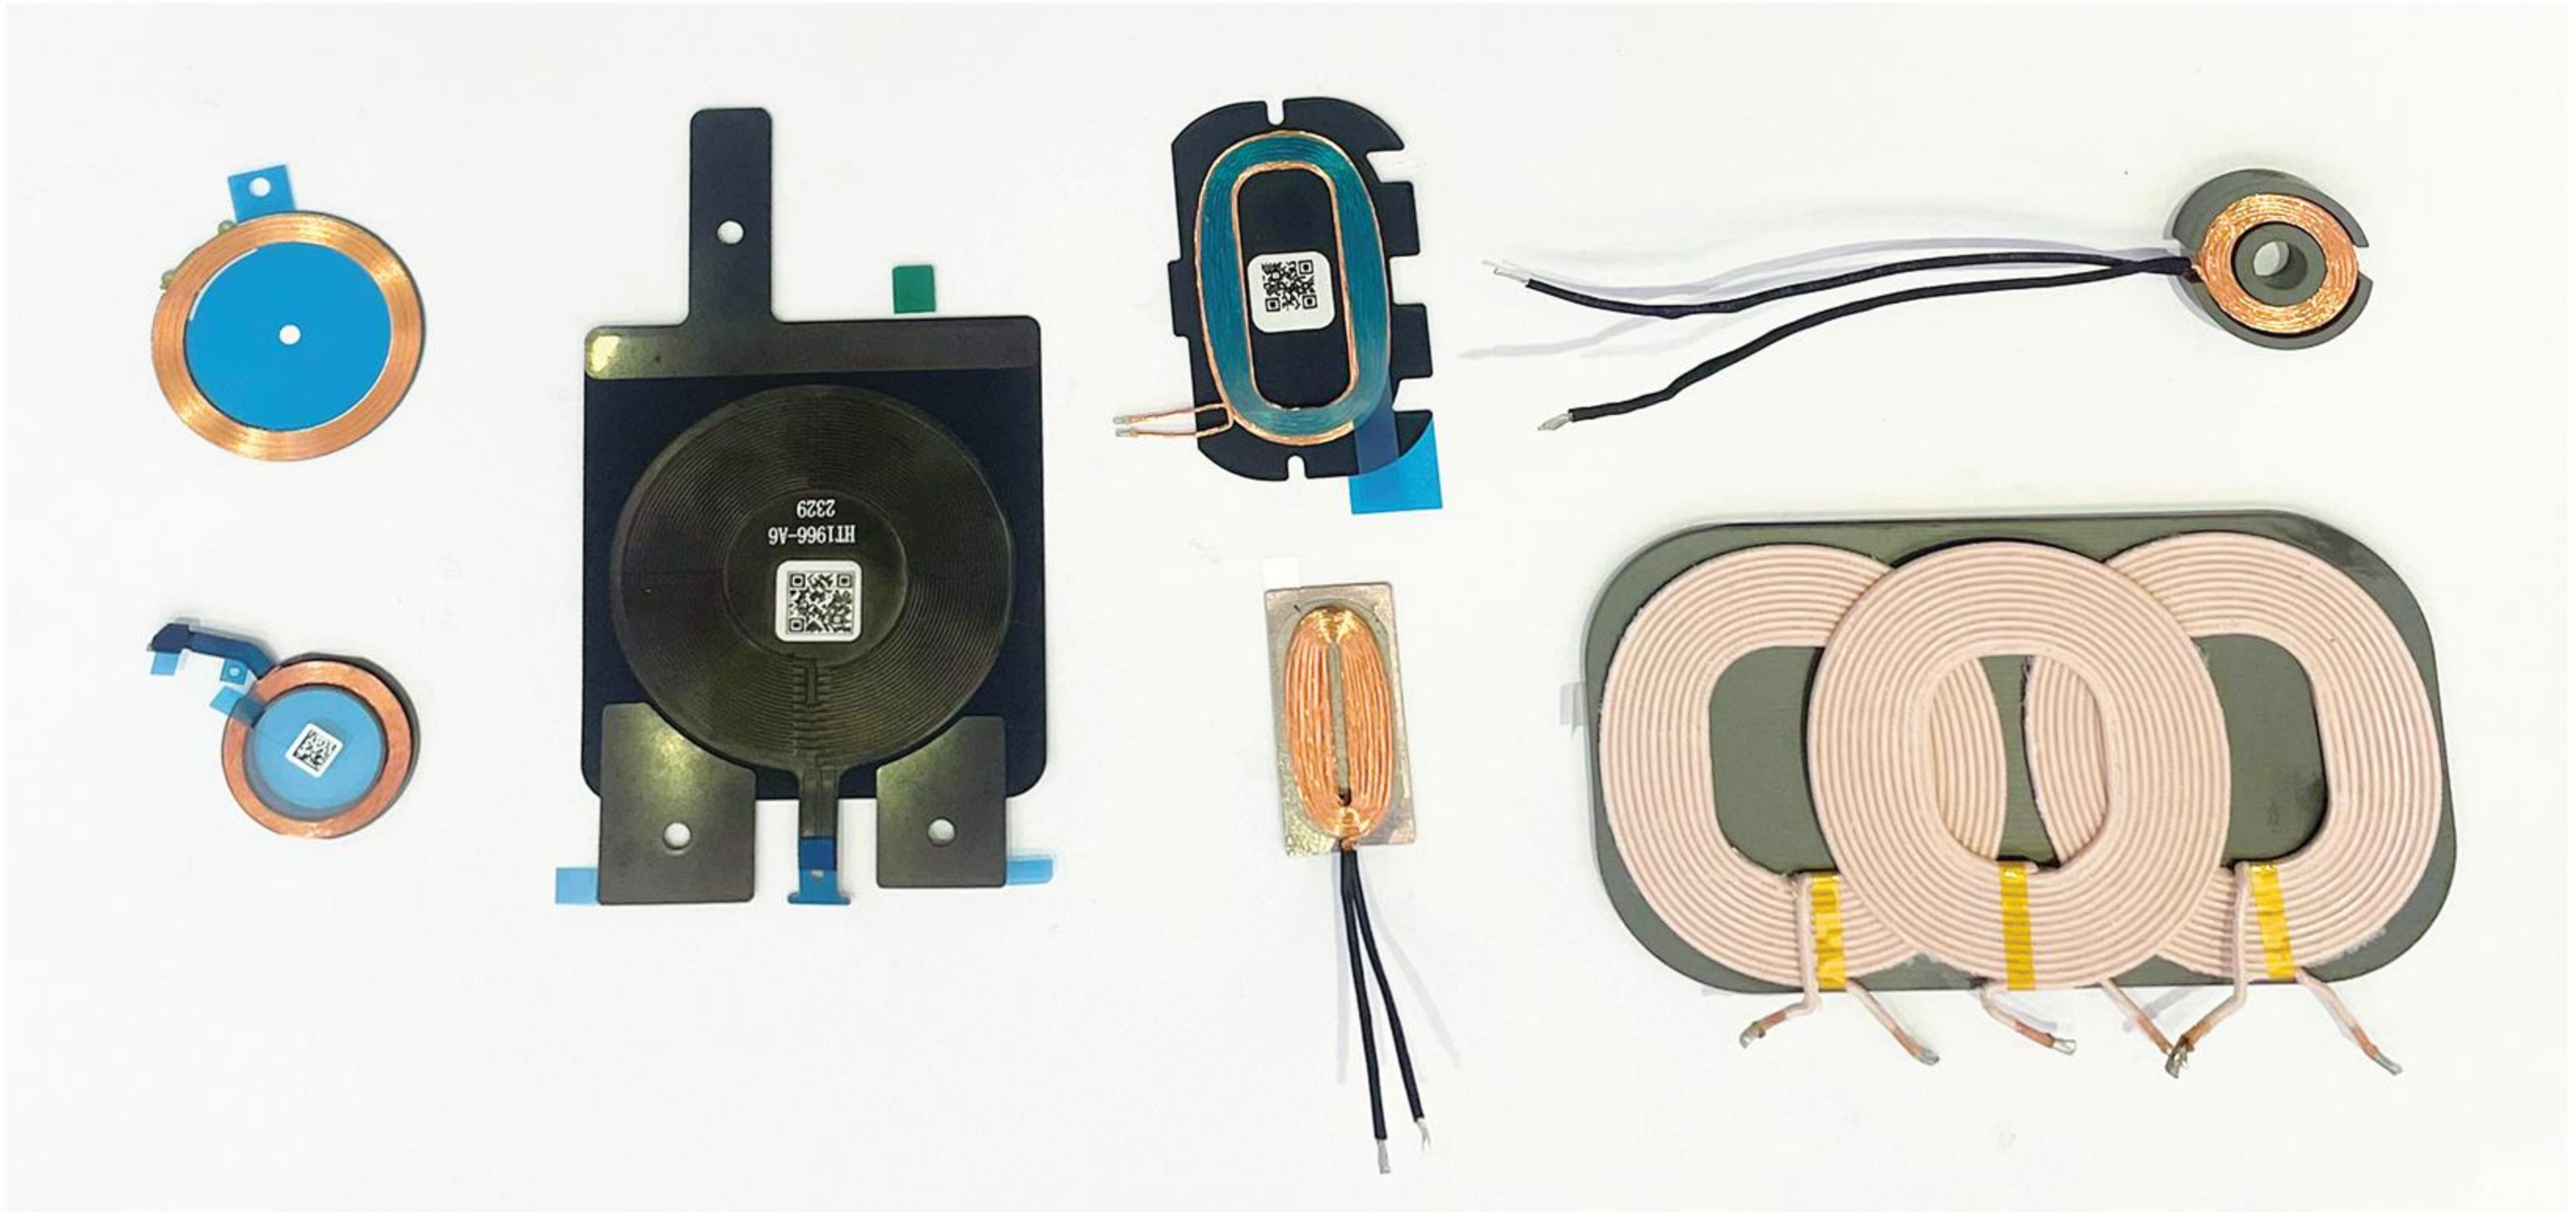

NFC ANTENNA

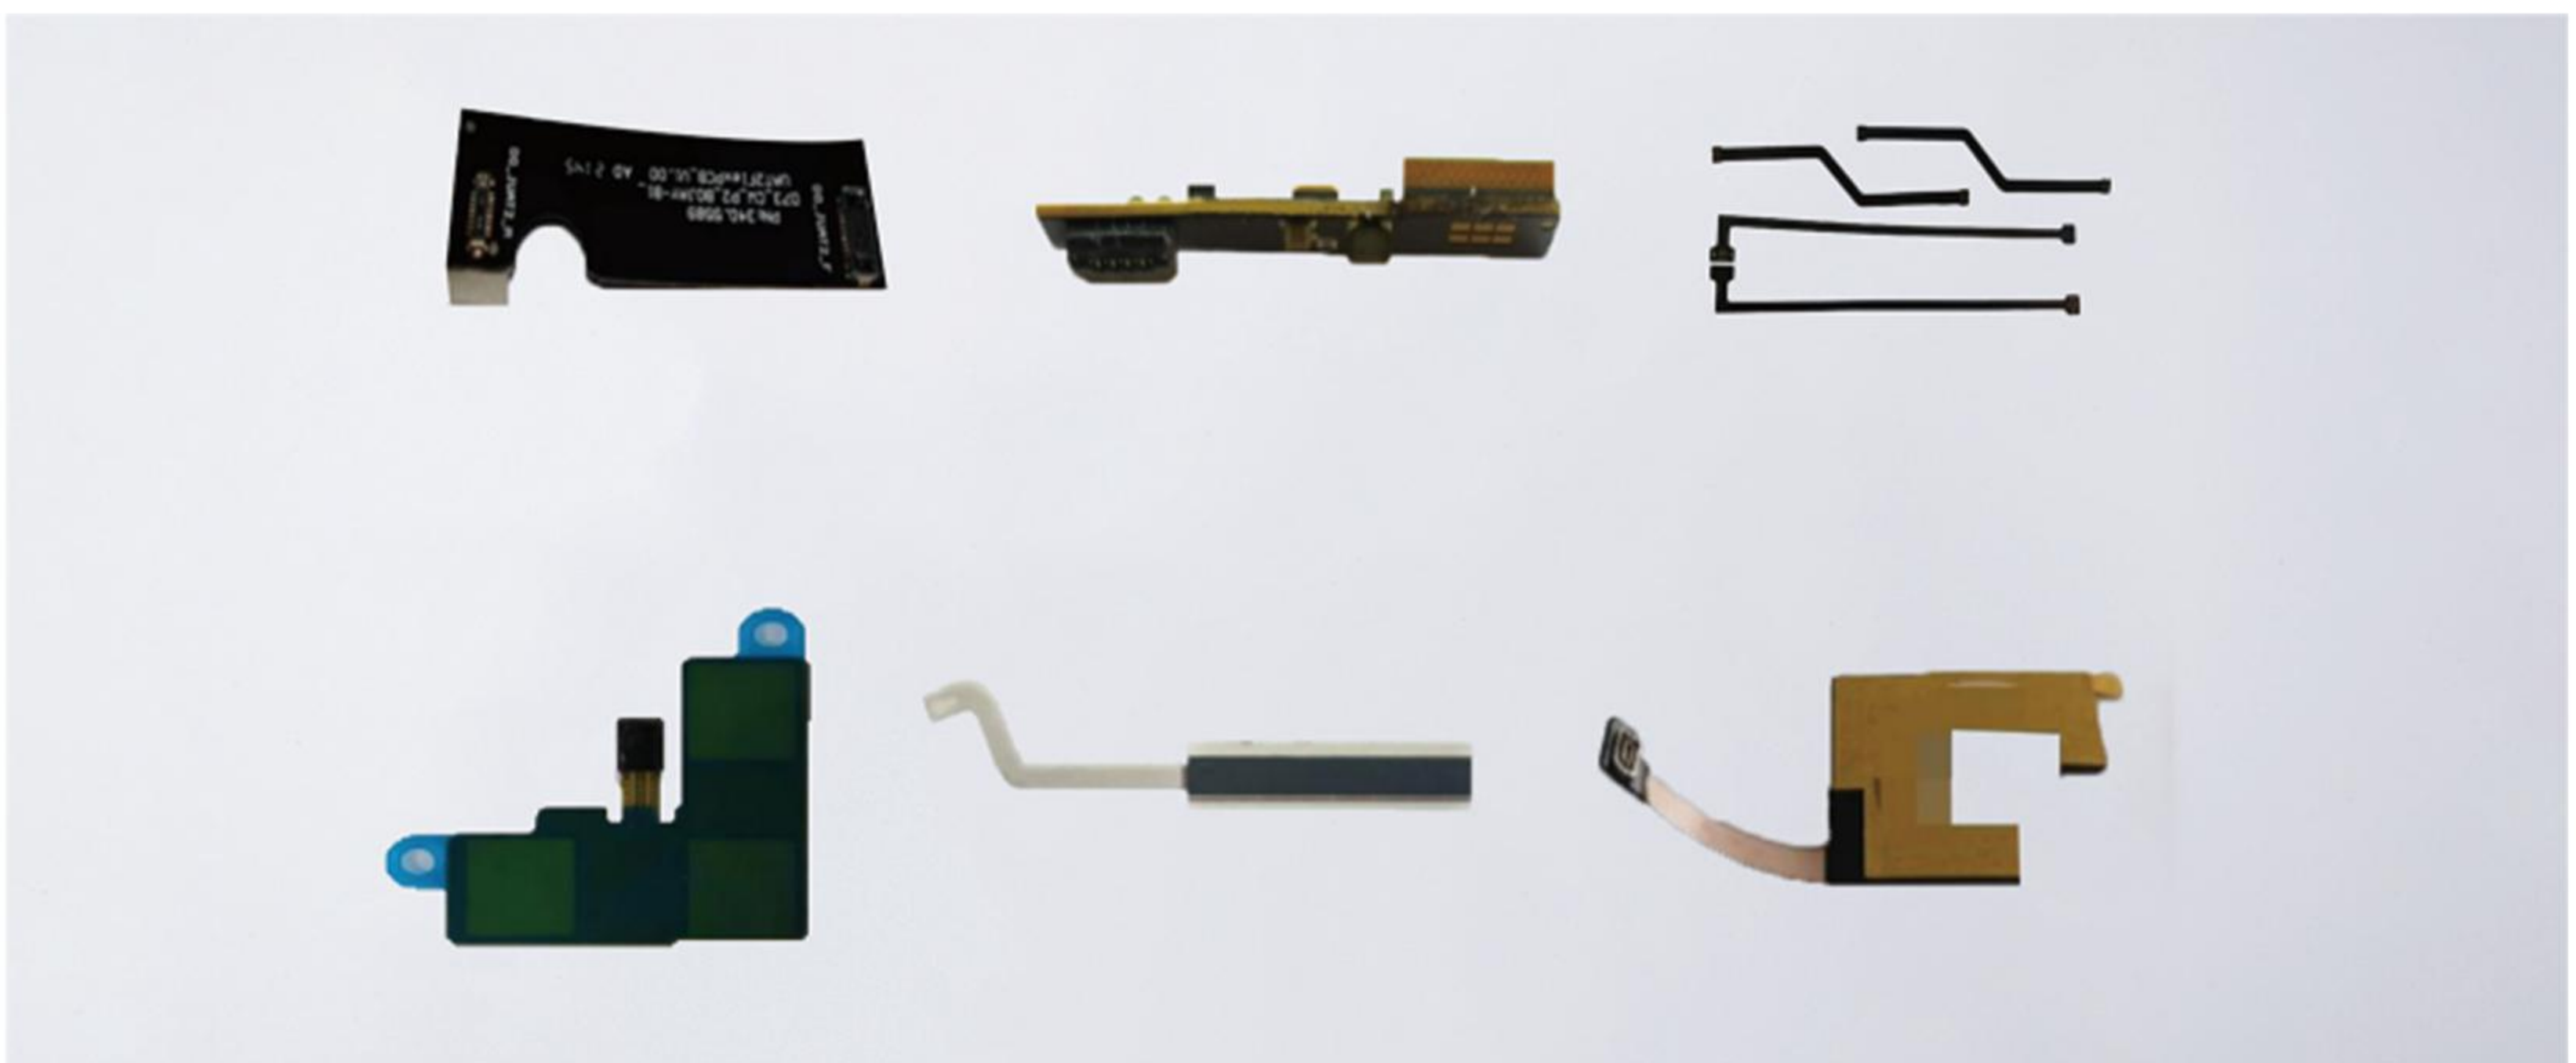

» Product Range

WPS ANTENNA

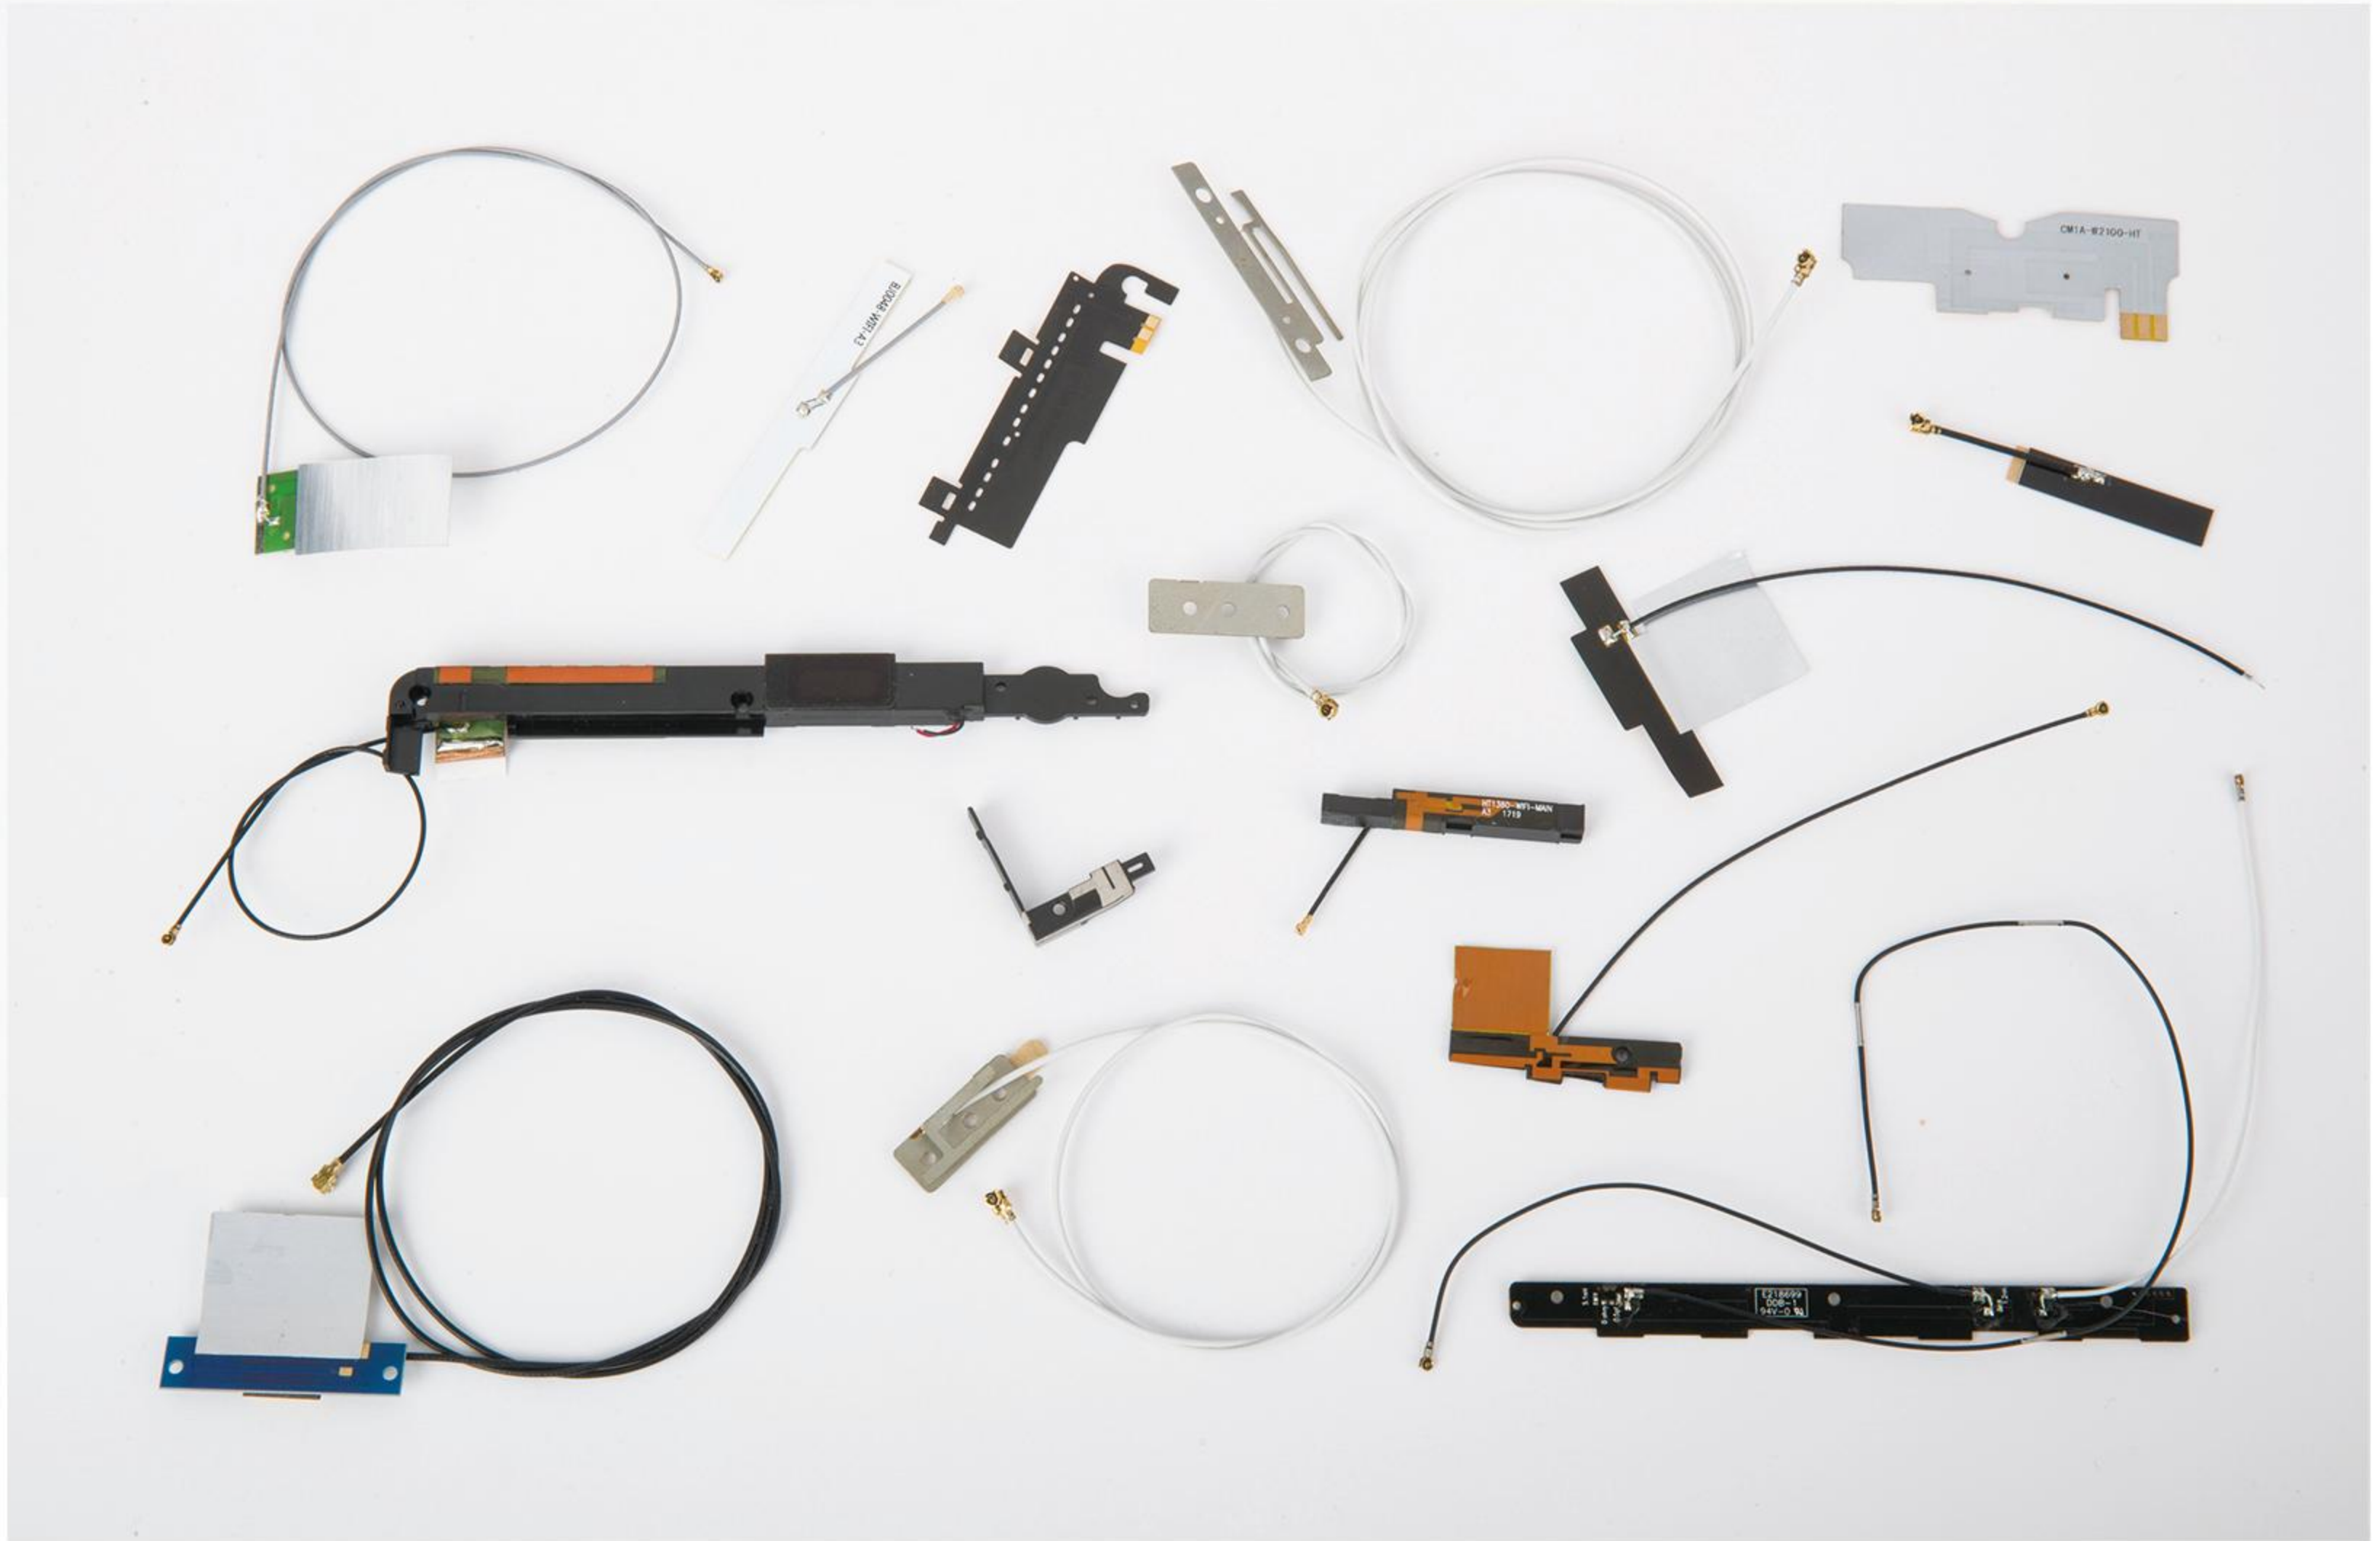

HIGH FREQUENCY HIGH-SPEED ANTENNA (LCP, MPI)

» Product Range

PCB/FPC+CABLE ANTENNA

LIST OF MEASURING EQUIPMENT

CSAR3D

FUNCTION INTRODUCTION

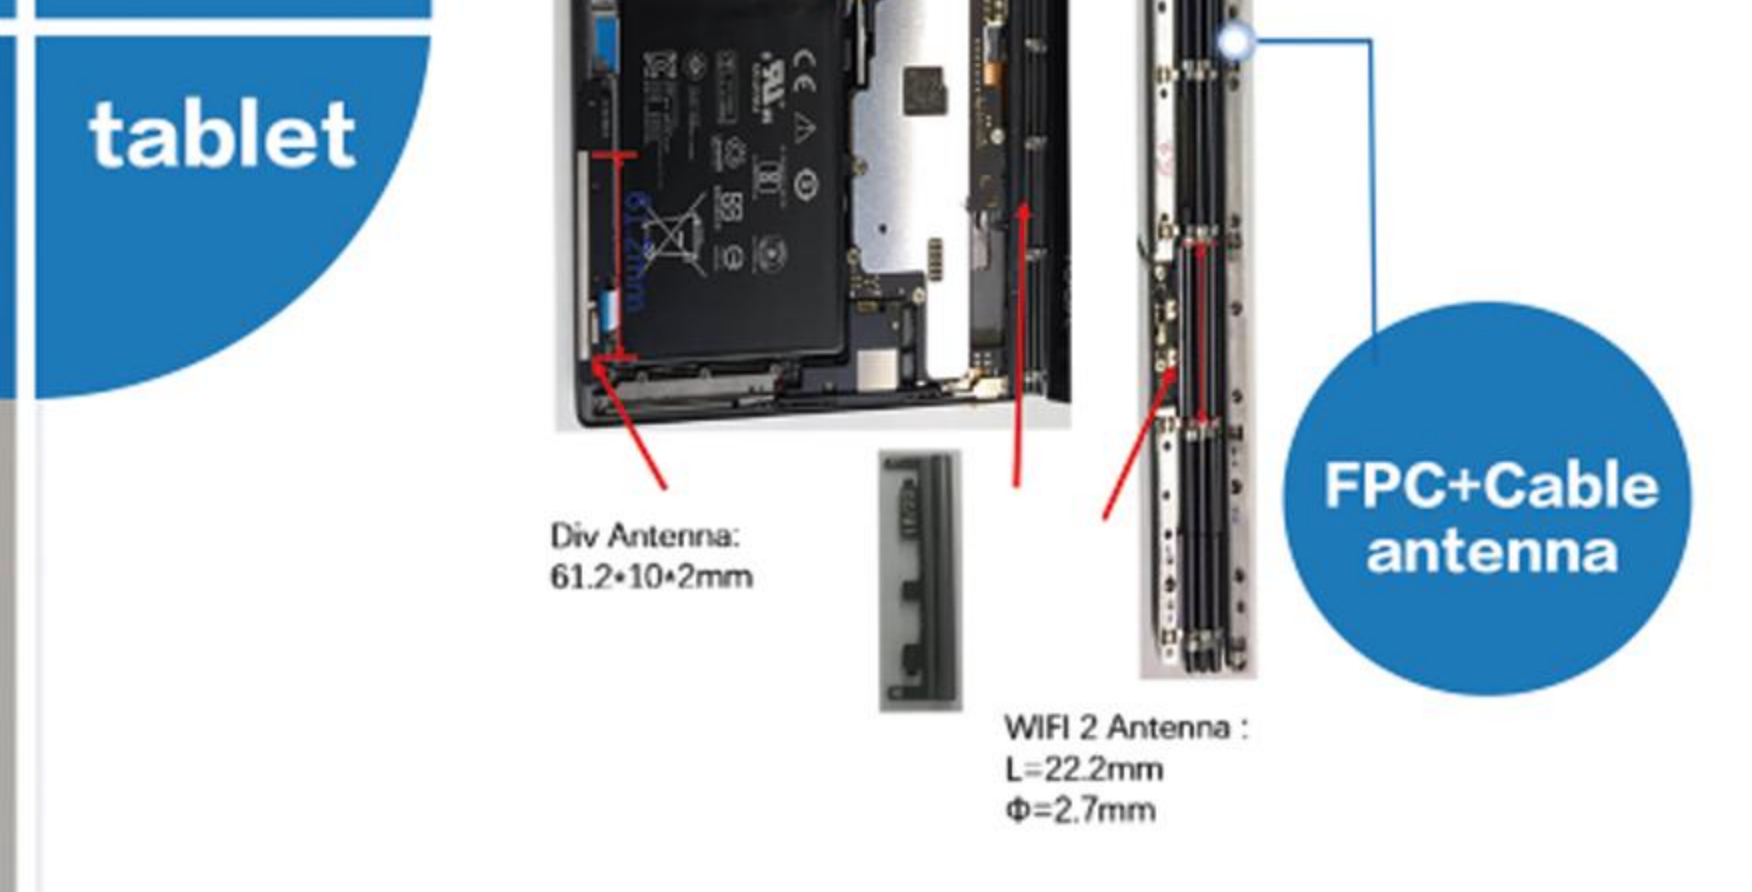

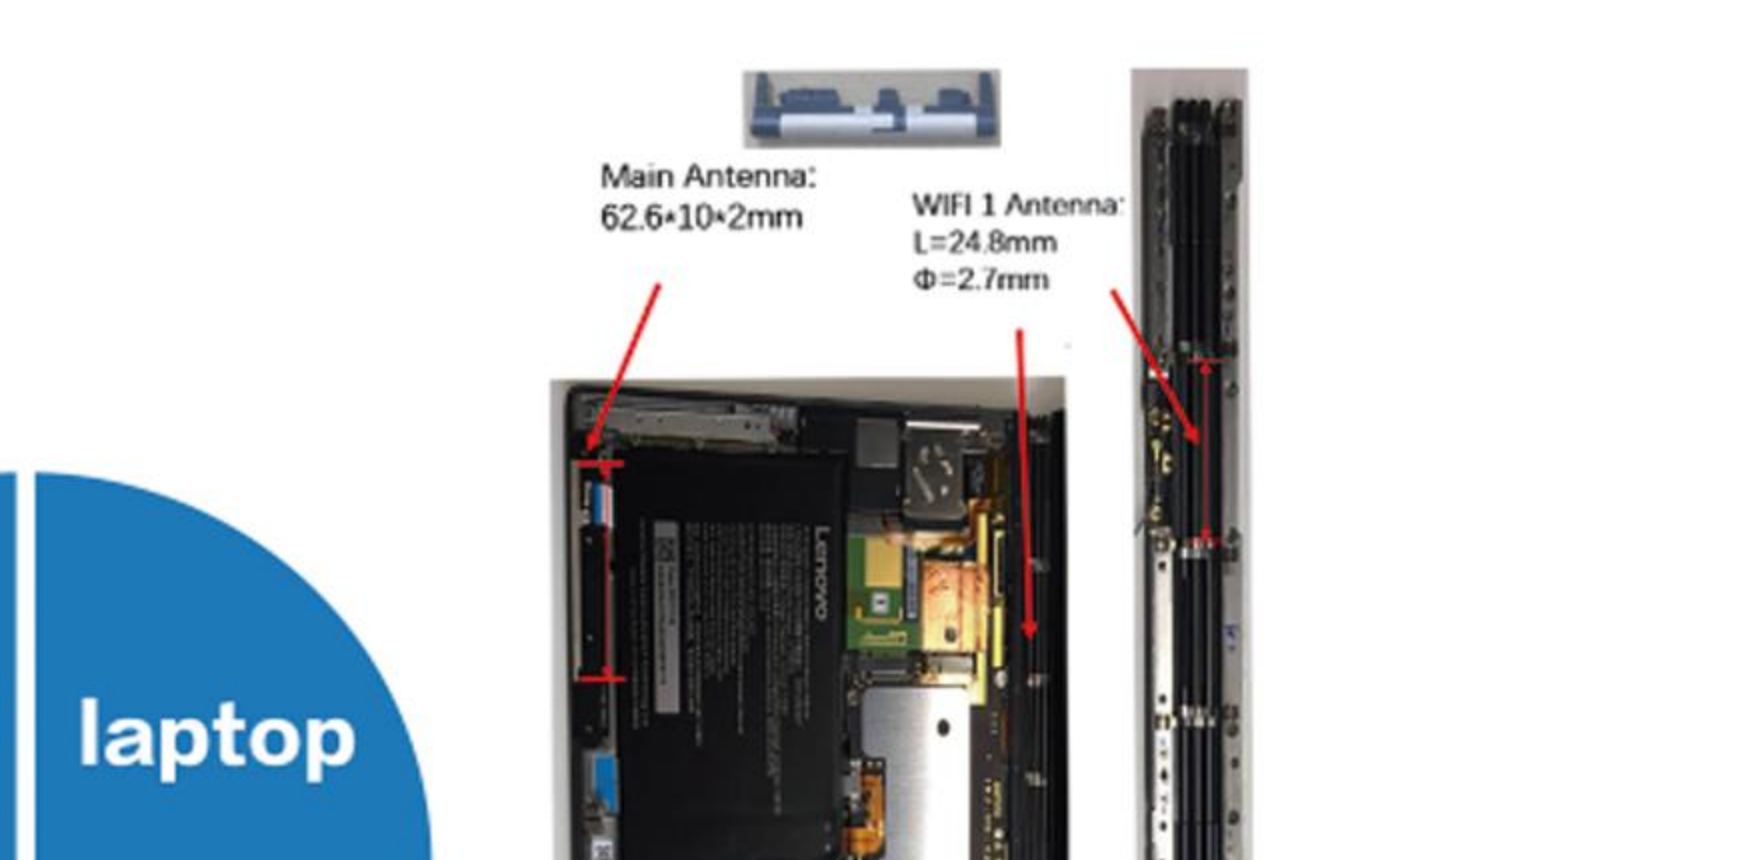

DASY5 SAR TEST SYSTEM

OTA/PASSIVE ANTENNA CHAMBER (MVG-SATIMO)

Application

» Why Choose Haitong

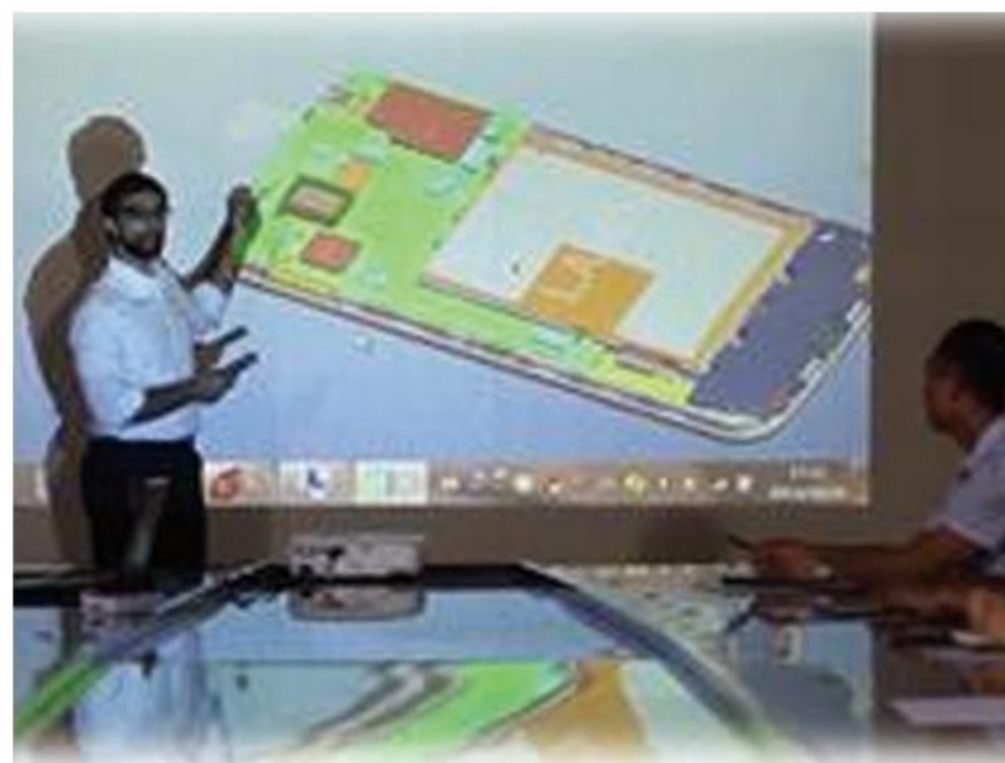

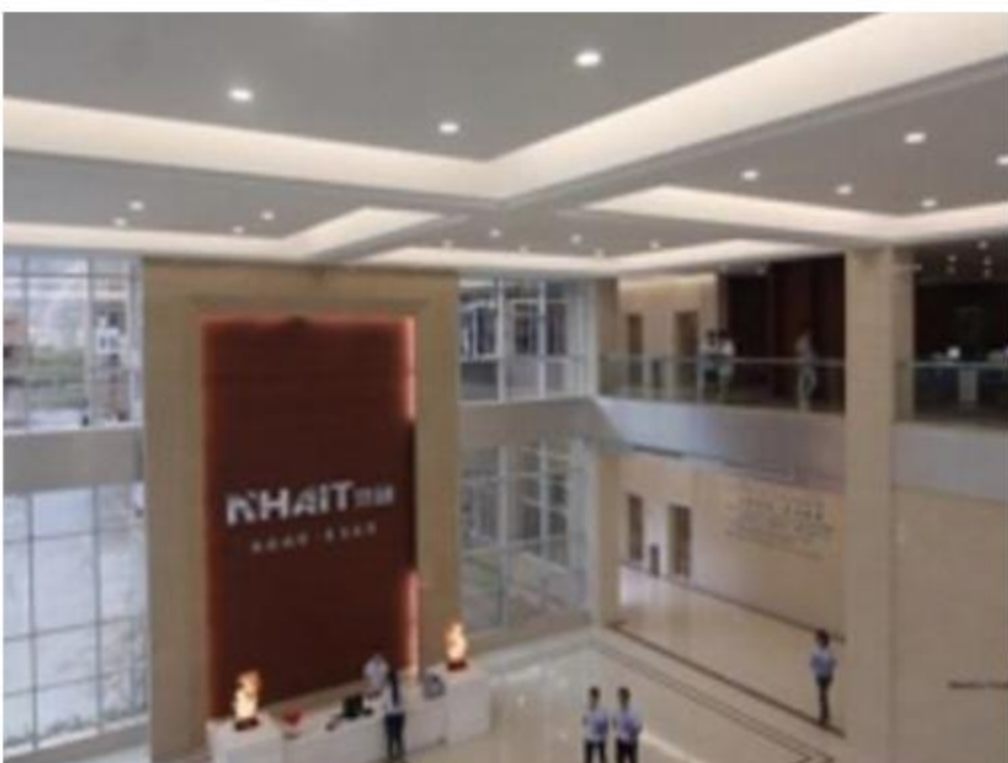

CUTTING-EDGE RESEARCH & DEVELOPMENT

5 R&D CENTERS

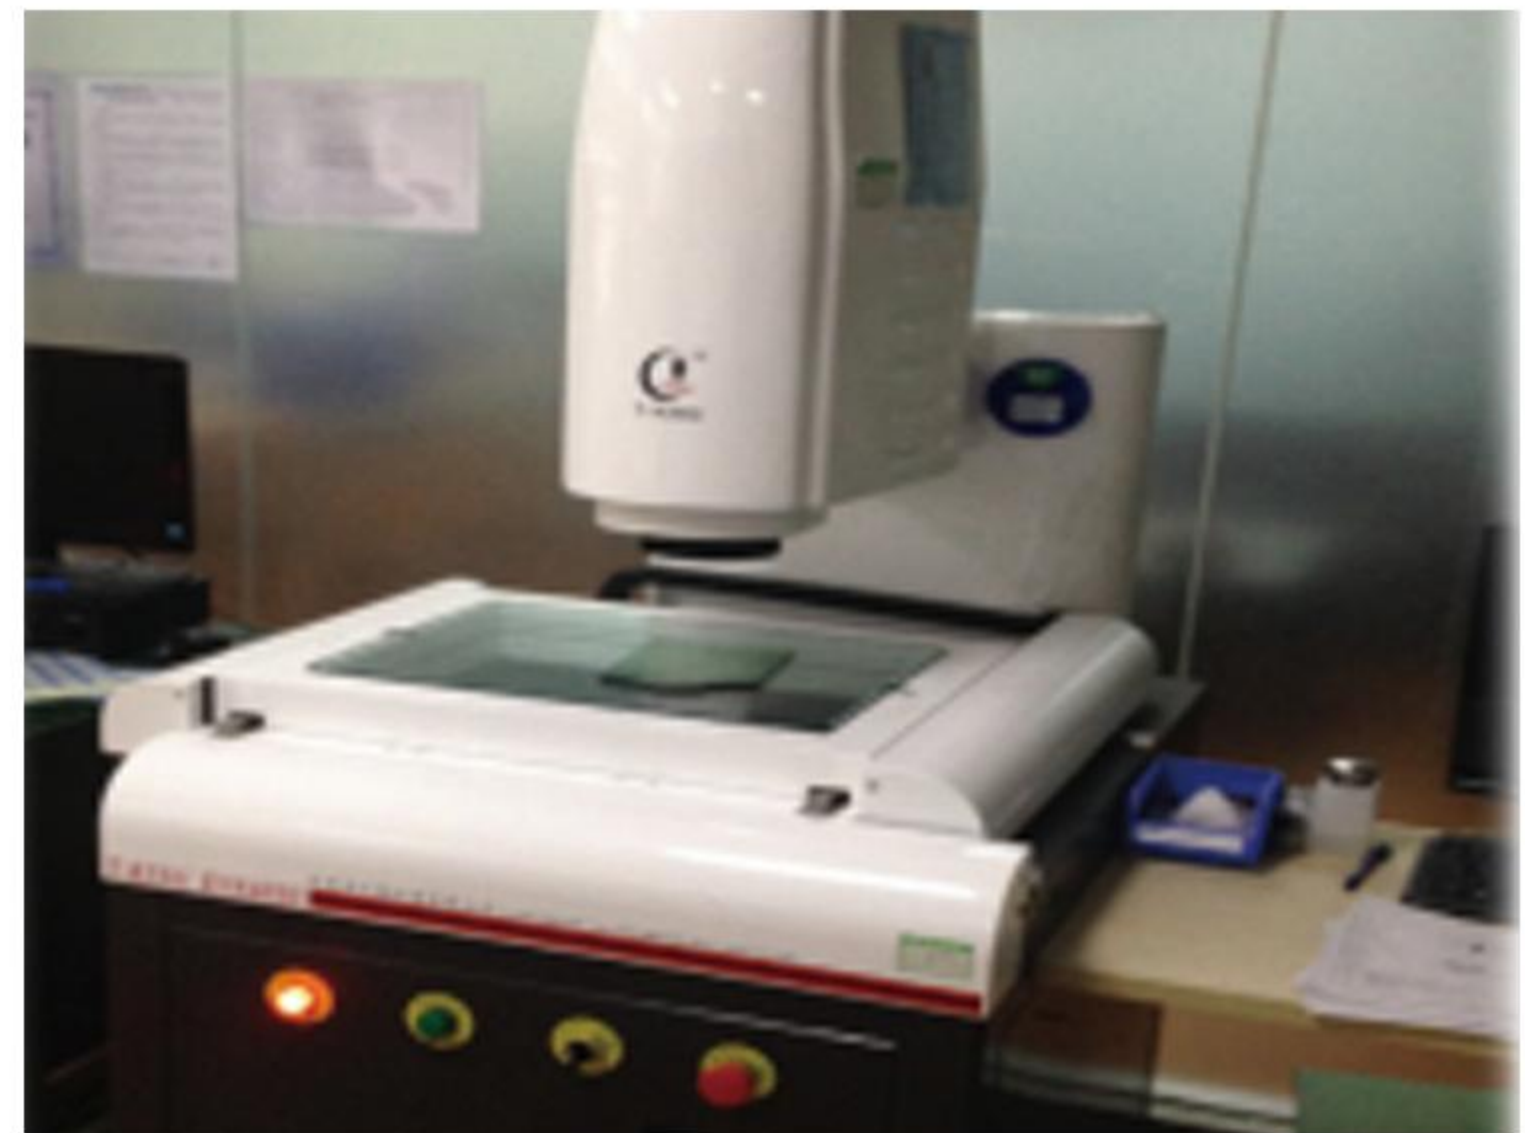

HIGH-VOLUME PRODUCTION CAPACITY

2 STATE-OF-THE-ART PRODUCTION FACILITIES IN WENZHOU & HUIZHOU

» Why Choose Haitong

ADVANCED MANUFACTURING TECHNOLOGY

INDUSTRY CERTIFICATIONS GUARANTEEING RELIABILITY AND DURABILITY
